

II Open Xacobeo

April 15-17, 2022 • Santiago de Compostela

WELCOME

The Second Xacobeo Disc Golf Open will be held during Holy Week 2022, from 15th to 17th April 2022, in Santiago de Compostela, a monumental city in Galicia whose old town is a World Heritage Site and attracts visitors and pilgrims from all over the world.

We hope this second edition will be as successful as the previous one, and we are confident that the tweaks made to the course design will make it even more challenging.

PLAYOFF

In the event of a tie for 1st, 2nd and 3rd place in any category, a sudden-death playoff will be held after the final round.

Tied players will be required to play **holes 18, 16 and 17** repeatedly until one of them wins a hole outright.

According to 2022 PDGA's Rules (Sec. 1.09), the specific order in which players tee off for sudden-death play shall be determined by random draw. In the case of a tied hole during sudden-death play, the teeing order for the next hole will rotate from the order used on the just completed hole.
