WELCOME

We are excited to welcome you to the III Open Xacobeo, a tier B event taking place in the historic city of Santiago de Compostela on April 29-May 1, 2023.

Santiago de Compostela, known for its stunning architecture, rich history and culture, is the final destination of the famous pilgrimage route, Camino de Santiago. Disc Golf and the Camino de Santiago share a common spirit of adventure, exploration, and connection with nature. The Open Xacobeo tournament is an excellent opportunity to combine them and experience Santiago de Compostela in a unique way.

This tournament is open to players of all skill levels, including international participants. This year the course design has been adapted to match the abilities of all players - including different layouts for the MPO, FPO, and amateur categories. Furthermore, this event is part of the Spanish Tour, Copa de España, which guarantees a high level of competition and a great opportunity to meet players from all over Spain.

We look forward to hosting you in Santiago de Compostela and hope that you will have a wonderful time playing disc golf, enjoying the city's culture and history, and making new friends. See you on the course!

PLAYOFF

In the event of a tie for 1st place in any category, a sudden-death playoff will be held after the final round.

Tied players will be required to play **holes 18, 16 and 17** repeatedly until one of them wins a hole outright.

According to 2022 PDGA's Rules (Sec. 1.09), the specific order in which players tee off for sudden-death play shall be determined by random draw. In the case of a tied hole during sudden-death play, the teeing order for the next hole will rotate from the order used on the just completed hole.
